

# *Friends of The Brasiles Ensemble Volunteer Form*

*Please hold hands with us whenever you can...*

As we are beginning to grow with new members joining us in special events and performances, we find our group needing a bit of outside assistance with various tasks. We list the most crucial tasks below in hopes to find several willing “friends” to come forth and help out from time to time. This is our initial list, which is a work-in-progress. If we think of more tasks to list, we will add them immediately.

**Name:** \_\_\_\_\_

**Email:** \_\_\_\_\_ **Phone:** \_\_\_\_\_

*Please check off all areas of interest that you feel you could be depended on to assist with whenever you happen to be available for future performances.*

- selling tickets – when there are tickets or donations being sold/accepted at the door
- ushering – when a concert may be in need of someone helping people to their seats or we need people passing out programs when people enter a venue
- selling ads – at times when we need to defer costs in printing up programs
- sewing – whenever we might need a hand with designing or repairing costumes
- construction – if ever we need special sets or props in the future
- sharing social media posts – online from your phone or computer
- assisting with transportation and/or shifting large items to and from concerts
- running – we may need runners to help with behind-the-scenes moments in future concerts
- mailing – if we are finding ourselves in need of stuffing envelopes
- selling – keeping guard over our CD sales or anything else that we might sell in the future
- handling concessions – either for free receptions or in the case of ever having a cash bar
- making phone calls
- manning lighting and/or sound
- program printing service in kind
- research – we tend to do a lot of research about composers, music, history, fashion, etc.
